ABOUT THE EVENT

The HackSphere competition is a key technical event at SAVISHKAR 2025, the national level fest hosted by Jain College Of Engineering & Research, Belagavi. It is designed to test participants' proficiency in Technical Skills, critical thinking, and collaborative problem solving.

REGISTRATION FEES

PER TEAM : ₹300

TEAM SIZE : 3 to 4 Members

***On Spot Registration Available.**

SCHEDULE & VENUE

DATE : 12 Nov 2025

DAY 1 : Venue : Room 309, 301

Time: 10:00 am onwards

DATE : 13 Nov 2025

DAY 2 : Venue : Room 301

Time: 10:00 am onwards

INFORMATION ABOUT ROUNDS

Git Add : The Quiz: Focuses on core concepts of Data Structures & Algorithms (DSA), General Aptitude, and Logical Reasoning in an MCQ format.

Git Commit :The Surprise Round: Tests the team's adaptability, lateral thinking, and un-conventional problem-solving under time constraints. The challenge will be revealed on the spot.

- **Git Push: The Final Compile:** Focuses on practical coding skills, algorithmic implementation, and time complexity optimization by solving competitive programming problems.

RULES AND REGULATIONS

Participation Details

- Eligibility: Open to the students from recognized colleges/universities across India.
- Team Size: Teams must consist of 3 to 4 members.
- Registration Fees: ₹ 300 per team.
- Maximum Capacity: The event is structured to accommodate approximately 40 teams.

Core Rules

- Allowed Languages: Any programming language is accepted for the coding rounds (e.g., C, C++, Java, Python).
- Punctuality: Teams must adhere strictly to the scheduled timings for all rounds.
- Malpractice: Any form of cheating or unauthorized external communication will result in immediate disqualification. The decision of the event coordinator and judges is final and binding.
- Equipment: Participants are strongly advised to bring their own laptops and all necessary personal belongings (chargers, extensions, etc.) for a smooth and secure competition experience.

ABOUT THE EVENT

The Treasure Hunt is one of the most thrilling non-technical events at SAVISHKAR 2025, hosted by Jain College of Engineering & Research, Belagavi. It challenges participants to showcase their teamwork, logical reasoning, and problem-solving abilities through a series of clue-based puzzles and adventurous tasks. Each round brings a new twist, testing participants' presence of mind, creativity, and coordination as they race against time to uncover the ultimate treasure.

REGISTRATION FEES

PER TEAM : ₹300

TEAM SIZE : 4 Members

***On Spot Registration Available.**

SCHEDULE & VENUE

DATE : 12 Nov 2025

DAY 1: Venue : Room 209, 210, 211, 310 & 311

Time: 10:00 am onwards

DATE : 13 Nov 2025

DAY 2: Venue : Room 209, 210 & 211

Time: 10:00 am onwards

INFORMATION ABOUT ROUNDS

- Round 1 – The Quiz Quest: A fun quiz round to kickstart the hunt and test the team's logical thinking.
- Round 2 – Surprise Round

- Round 3 – Decode & Discover: Teams decode coded clues to find coordinators who assign mini-tasks.
- Round 4 – The Final Treasure: A campus-wide hunt where teams race to find the hidden treasure first.

RULES AND REGULATIONS

- Once a team is registered, no refund will be provided.
- ID card is compulsory.
- One team = 4 people.
- Participants should be from some college.
- Decision of the head coordinators is final.
- Misbehaving or manhandling will lead to disqualification of the team.
- Accommodation will not be provided.
- Mobile phones are not allowed during event rounds.
- Participants should be present at the mentioned time; otherwise, disqualification.
- Respect the event area – do not damage property or disturb others.

INFORMATION ABOUT ROUNDS

ROUND 1: Swiftplay (KnockOut)

ROUND 2: Semifinals (Best of 1)

ROUND 3: Finals (Best of 3)

RULES AND REGULATIONS

- Once team is registered, No Refund will be initiated.
- ID card is compulsory.
- Whole team should be present at the venue before 30 minutes.
- The participants of the team must be 3 from same college and 2 from any college.
- Squad (team of 5) knockout tournament.
- Fixtures will be set after registrations.
- Participants have to bring their own PC/laptops and peripherals (keyboard, headphones, mouse etc.)
- Misbehaving or man-handling during the tournament will lead to disqualification of the team.
- Accommodation will not be provided by the Organizers.
- Map selection will be decided with a toss.
- Registration is open exclusively to currently enrolled college students; graduates are not eligible to participate.
- Swiftplay depends upon the number of team's participating. If less number of teams have registered then swiftplay is changed to Standard. If not then it goes by the rule book.

ABOUT THE EVENT

“CodeBreak: Mind Over Machine” is an intense coding and logic-based competition designed to challenge your problem-solving skills, analytical thinking, and coding precision. Participants will battle through a series of mind-twisting rounds — from debugging and logic puzzles to creative AI prompt building and real-time coding challenges. Only the sharpest minds who can balance speed, accuracy, and innovation will emerge as the true CodeBreak Champion 2025!

REGISTRATION FEES

PER TEAM : RS 100/-

TEAM SIZE : 2 Members

*On Spot Registration Available.

SCHEDULE & VENUE

DATE : 12th, 13th NOV 2025

DAY 1: Venue : 204 & 212

Time: 10:00 AM

DAY 2: Venue : 204 & 212

Time: 10:00 AM

INFORMATION ABOUT ROUNDS

ROUND 1 : The Code Gauntlet

Sharpen your logical swords! This round tests your aptitude, reasoning, and basic coding (C/Python) skills.

- Solve 10–12 short technical and aptitude-based problems within 15 minutes.
- No internet access allowed.
- Top-performing teams from each batch qualify for the next round.
- In case of a tie, accuracy and submission time will decide the winner.

ROUND 2 : The Prompt Showdown

Unleash your creativity! Teams will be shown an image and must write an AI prompt that can generate a similar one.

- Each team receives a unique image piece and a mystery hint.
- Teams must decipher the hint to find hidden prop riddles inside the room.
- Solving these riddles will reveal a secret AI prompt.
- This prompt is then used to generate an image using AI tools.
- The team whose generated image most accurately matches the target image qualifies for the final round.

ROUND 3 : The Master Key Showdown

The ultimate coding battle! Teams face a mix of debugging, logic, and algorithmic challenges.

- Each team will be divided into two members, placed in two separate rooms.
- Communication is allowed only through a phone call.
- Teams must solve a sequence of technical riddles that reveal clues about the location of the Master Key in each room.
- Both members must find their respective Master Keys simultaneously to win.
- The fastest team to locate both keys will be declared the CodeBreaker Champion 2025.
- This round emphasizes logic, coordination, and real-time problem-solving.

RULES AND REGULATIONS

- Once team is registered, No Refund will be initiated.
- ID card is compulsory.
- The team should consist of 2 members only.
- There will be different rounds of various tasks.
- The Participants should be from the same college.
- Participant must not engage in any form of violence & must strictly abide by the rules.
- The decision of the coordinators will be final and participants should abide by it.
- Misbehaving or man-handling will lead to disqualification of the team.
- Accommodation will not be provided.
- About the game rules are explained by co-ordinators on the venue.

ABOUT THE EVENT

“Seconds Ka Tashan” is an exciting and fun-filled event where participants race against time and each other to prove their wit, creativity, and quick thinking.

Through four thrilling rounds, participants will face unique challenges — from building tricky cup pyramids, unlocking lockers, guessing words in hilarious ways, to solving puzzles under pressure.

The team or participant who shows the perfect mix of speed, cleverness, and energy will be crowned the ultimate “Time Warrior”!

Time: **10:30 AM**

INFORMATION ABOUT ROUNDS

Round 1: Balloon Mania

- A fun teamwork task where one player carries cups while holding a balloon between their knees, and the other builds a cup pyramid using air from blown balloons.
- It's all about balance, speed, and coordination!

Round 2: Key to Victory

- Face-off challenge where teams must unlock the right lockers using keys from a shared box, walking only on the footprint path without stepping out.
- A true test of alertness and precision!

Round 3: Whisper Challenge

- One teammate wears loud headphones while the other conveys words through gestures and lip sync.
- The team that guesses the most within time wins this hilarious communication test!

Round 4: Decode Dhamaka

- The grand finale filled with clues, mini-tasks, and puzzles!
- Teams collect hints, assemble the puzzle, and race to become the ultimate Time Warriors!

RULES AND REGULATIONS

- Once team is registered, No Refund will be initiated.
 - ID card is compulsory.
 - The team should consist of 2 members only.
 - There will be different rounds of various tasks.
 - The Participants should be from the same college.
 - Participant must not engage in any form of violence & must strictly abide by the rules.

- The decision of the coordinators will be final and participants should abide by it.
- Any kind of misbehaving or man-handling will lead to disqualification of the team.
- Accommodation will not be provided.
- About the game rules are explained by co-ordinators on the venue.

ABOUT THE EVENT

Do you have an idea that can change the world? A theory that challenges the norm? Or research that breaks new ground? Then it's time to step into the spotlight and present your brilliance to the world!

The Paper Presentation event is your stage to share cutting-edge ideas, groundbreaking research, and visionary concepts. Whether you're exploring futuristic technology, solving real-world problems, or diving deep into creative innovation — this is where your thoughts take flight.

This event isn't just about presenting papers — it's about inspiring minds, sparking discussions, and igniting innovation! Get ready to impress a panel of experts, connect with curious minds, and turn your ideas into impact.

ABOUT THE EVENT

Welcome to the ultimate event of creativity and innovation – **Electro Quest** ! This event brings together curiosity, knowledge, and technical skills as participants step into the exciting world of electronics. Electro Quest consists of three fun and challenging rounds that test your thinking, logic, and practical abilities.

From answering interesting quiz questions to solving clues and circuit puzzles, each round takes you closer to becoming an electronics expert. In the final round, participants will design and build a working circuit using soldering to bring their ideas to life. Electro Quest is not just a competition – it's an adventure that inspires learning, teamwork, and innovation.

REGISTRATION FEES

PER TEAM : Rs. 300/-

TEAM SIZE : 4 Members

***On Spot Registration Available.**

SCHEDULE & VENUE

DATE : 12/11/2025

DAY 1 : Venue : Room 306 (Main Building)

Time: **10:30 AM**

DATE : 13/11/2025

DAY 2 : Venue : Room 303,304 (Main Building)

Time: **10:30 AM**

RULES AND REGULATIONS

- Each team must consist of 4 members.
- The total number of rounds are 3.
- No usage of mobiles is allowed during this event.
- In each round the teams with lowest points will be eliminated.
- Any violation of the rules will lead to disqualification.
- The decision of the panel is final & binding.

Round 1: QUIZ

- This round will test the technical knowledge and fundamental understanding of the participants in the field of electronics, engineering trends, and logical reasoning. Based on the number of participants, it may serve as an elimination round.

Rules and regulation:

- This round will test the basic knowledge of electronics and circuits.
- The quiz will include multiple-choice questions
- Each team must complete the quiz within the given time limit.
- No mobile phones, calculators, or external help are allowed during the quiz.
- Teams should work together quietly and maintain discipline during the round.
- Based on the quiz scores, top teams will qualify for the next round.

Round-2: Logic Hunt

- This round challenges participants to think fast and work smart as they hunt for clues related to electronics and circuit logic. Each clue leads to the next, testing their analytical skills, teamwork, and understanding of core concepts. The round emphasizes quick problem-solving and coordination. Rules and regulations for this round will be given on the spot. Based on performance, the top 5 teams will advance to the final round.

Round-3: Circuit Design

- This round tests the participants hands-on expertise and practical understanding of circuit design. Teams will design and build a simple functional circuit on a board, showcasing their technical precision and creativity. They will be evaluated based on circuit accuracy, working efficiency, and overall presentation. Rules and regulations for this round will be given on the spot.

ABOUT THE EVENT

"Tech Tussle" is an engaging technical event that sparks creativity and problem-solving skills. Participants will face a variety of fun and thought-provoking challenges that test their logic, coding ability, and teamwork. From cracking clues to tackling real-world tech puzzles, each round pushes you to think differently and act smartly. The event is all about discovering innovative minds who can handle challenges with confidence and creativity.

REGISTRATION FEES

PER TEAM : Rs 300/-

SCHEDULE & VENUE

DATE : 12/11/2025 and 13/11/2025

DAY 1 & 2:

Venue : Room 314,312,313 (Main Building)

Time : **11.30 AM**

INFORMATION ABOUT ROUNDS

Round 1: Tech Quiz & Code Snippets

Round 2: Debug the Code

Round 3: Circuit Relay.

Round 4: QR Hunt & Circuit Simulation

RULES AND REGULATIONS

- It is a group event (4 members).
- Total number of rounds – 4.
- No usage of mobiles is allowed during the game, unless instructed by the coordinators.
- Any violation of the rules will lead to disqualification.
- Decision of the panel is final & binding

Round 1: The Battle of the Wits

- This round consists of two parts:
- Quiz Section: attempted by any 2 team members.
- Code Snippet Section: other 2 team members.
- The total time limit for this round is 1 hour.
- Team coordination and time management are crucial.
- No use of phones or external help is allowed unless instructed by the coordinators.
- Further information will be provided on the spot.

INNOVATION STARTS WITH YOU...

Round 2: Debug the Code

- At least 1 laptop per team is compulsory.
- A complete code with bugs will be given (C and Python).
- Participants must find and fix the errors to get the correct output.
- Time limit will be announced on the spot.
- Based on the aggregate of both the rounds, teams qualified for next rounds will be announced.

Round-2: Logic Hunt

- This round challenges participants to think fast and work smart as they hunt for clues related to electronics and circuit logic. Each clue leads to the next, testing their analytical skills, teamwork, and understanding of core concepts. The round emphasizes quick problem-solving and coordination. Rules and regulations for this round will be given on the spot. Based on performance, the top 5 teams will advance to the final round.

Round-3: Circuit Design

- This round tests the participants hands-on expertise and practical understanding of circuit design. Teams will design and build a simple functional circuit on a board, showcasing their technical precision and creativity. They will be evaluated based on circuit accuracy, working efficiency, and overall presentation. Rules and regulations for this round will be given on the spot.

Prof. Vivek Kajagar

ABOUT THE EVENT

Tired of playing chess the traditional way? It's time to flip the board!

CHECKMATE redefines the classic game by blending strategy, creativity, and teamwork into one thrilling experience. With unexpected twists and live task-based challenges, this event tests not just your chess skills but also your adaptability, quick thinking, and coordination. Step into a battlefield where every move counts, on and off the board.

REGISTRATION FEES

PER TEAM : Rs 300/-

TEAM SIZE : 4 Members

*On Spot Registration Available.

SCHEDULE & VENUE

DATE : 12/11/2025 and 13/11/2025

DAY 1 & 2 :
Venue : LIBRARY
Time: 10:30 AM

RULES AND REGULATIONS

- Each team must consist of 4 members.
- It is not necessary for all team members to know how to play chess — if at least one member knows the game, that is sufficient.
- Each match will last for 30 minutes, and this time limit will remain the same across all three rounds.
- All rounds are elimination rounds — only the winning teams will advance to the next stage.
- Each player will have 45 seconds per move. If a player fails to make a move within this time, their turn will be skipped.
- If a checkmate is not achieved within 30 minutes, the winner will be determined based on the total point value of the remaining pieces on the board:

Pawn → 1 point

Knight/Bishop → 3 points...

Rook → 5 points

Queen → 8 points

- The judge's decision will be final and binding.
- Participants are expected to maintain proper decorum and sportsmanship throughout the event. Any form of misconduct, argument, or inappropriate behavior may result in disqualification.

Round 1: The Battle of the Wits

- Only one member of each team, known as the **Mastermind**, will play on the chessboard.
- The remaining **three teammates** will draw chits containing **the names of chess pieces** and must perform the corresponding physical or task-based challenges.
- Upon **successful completion of a task**, the team **earns the right** for the **Mastermind** to remove that specific piece from the opponent's board — but **only during their own turn**.
- If the task is completed while it's the opponent's turn, the Mastermind must **wait until their next turn to remove the piece**.
- The **piece** must be immediately **removed at the start of their turn**, after which the Mastermind may continue with their move — all within the allotted **45 seconds**.
- Only **one piece can be removed per successfully completed task**.
- For example, if the chit reads "Pawn (Soldier)" and the task is completed, the Mastermind may remove one Pawn (of any position) from the opponent's board — not all Pawns.
- The **King cannot be removed through tasks**, it can only be defeated through checkmate.
- If a team completes a task for a piece that has already been removed from the opponent's board, that task will be considered void.
- Team **members may strategize** regarding which **tasks to prioritize** and **which pieces to target**. However, **no communication** (verbal, non-verbal, or otherwise) is **permitted between teammates and the Mastermind** during the match.

- During **the final two minutes of the match** — referred to as the **Zero Activity Period** — teammates are not allowed to perform any tasks or indicate to the Mastermind which tasks they have completed. The Mastermind must rely solely on their own gameplay decisions.
- **Task difficulty will be proportional to the piece's importance** (e.g., **Pawn = Easy → Queen = Very Hard**).

Round 2: The Twist of Fate

The second round introduces an unexpected twist designed to test participants' adaptability, strategic thinking, and teamwork under changing conditions. Specific details and rules for this round will be disclosed on the spot, ensuring a fair yet thrilling challenge for all teams. Be prepared — this round will redefine the way you approach the game.

Round 3: The Final Gambit

The final round brings together every skill, strategy, and lesson from the previous stages into one decisive battle. Precision, presence of mind, and seamless coordination will determine the ultimate champions. This round is designed to push participants to their limits — where every move, every decision, and every second counts. Only the most composed and strategic team will claim Checkmate.

ABOUT THE EVENT

Welcome to the grand celebration of brilliance and charisma — IMPERSONA! This spectacular event is where elegance meets innovation, and every participant becomes the embodiment of creativity, intellect, and confidence.

As the spotlight illuminates the stage, contestants from diverse backgrounds come forward to unveil their talents, express their individuality, and inspire through their unique perspectives. IMPERSONA is more than just a competition it is a prestigious platform that celebrates the explorers, dreamers, and visionaries who dare to stand out and make a difference.

Get ready to experience an evening filled with grace, artistry, and inspiration, as we witness the rise of extraordinary individuals ready to leave their mark on the world.

12:00 PM -3:30 PM (Room 110)

RULES AND REGULATIONS

- It is an individual event.
- From each college, any number of students student can participate.
- Total number of rounds are 4.
- No electronic gadgets are allowed during the rounds, unless instructed by the coordinators.
- Any violation of the rules will lead to disqualification.
- Participants must adhere to the time limits allotted for each round. Late reporting or exceeding time limits may affect scores.
- The decision of the panel is final & binding.

INFORMATION ABOUT ROUNDS

ROUND-1: Battle of Brains – Think • Solve • Survive

This round will test the IQ of the participants. Subject to the number of participants, it will be an elimination round. Expect surprises along the way that will keep you on your toes!

ROUND-2: Fame Game

A round where identities blur and stars are reborn. Let's see how well you play the part that isn't yours. Fame awaits those who can truly transform.

Bonus Round: While others rest, you rise to the challenge. Stay awake, stay sharp — this is where winners are made.

ROUND-3: Talent Unleashed

A round where talent meets surprise! Show what sets you apart as you face an unexpected twist that will test your creativity and confidence on the spot.

ROUND-4: The Pressure Play

When the pressure mounts, true character shines. Face the twists, react wisely, and survive the deadlock to stay in the game.

DAY 2 :Venue : Room 307 & 306

Time : **10.30 AM**

RULES AND REGULATIONS

- It is a group event. (Team of Two).
- From each college, more than one team can participate.
- Total number of rounds are 4.
- No usage of mobiles is allowed during the game, unless instructed by the coordinators.
- Creativity, spontaneity, and originality are your strongest weapons.
- The decision of the jury panel is final & binding.
- Any violation of the rules will lead to disqualification.

INFORMATION ABOUT ROUNDS

ROUND-1: PITCH IN A MOMENT

ROUND-2: LOGO RHYTHM

ROUND-3: MIDNIGHT MARATHON

ROUND-4: CRACK THE CASE

ROUND-1: PITCH IN A MOMENT

In this round, two participants will team up and discuss a business idea. They will have a short time to plan and then present how they would start and grow that idea. Creativity, clarity, and teamwork are the key to winning.

ROUND-2: LOGO RHYTHM

In this round, participants will transform their business idea into a visual identity. Based on the concept they pitched in Round 1, each team will design a unique logo that represents their brand's purpose, values, and vision. This round highlights creativity, design thinking, and the ability to communicate ideas through visuals. Let your imagination (and your favorite tools) do the talking 

ROUND-3 & 4:

You Think it's over? The next rounds will change the game. Stay tuned... the real thrill's yet to begin!!

RULES AND REGULATIONS

- Participants are advised to abide strictly to the rules and regulations of the event.
- Robot should be as per the given specifications, Each team can have 1 to 4 members.
- Each member of the team should have the identity card of his/her respected institute.
- Each skipped obstacle will increase penalty which is added to the robot's total time.
- Rules and regulations may be subjected to change under any inevitable circumstances.
- Any unruly behaviour within the campus or during conduction of event will lead to the disqualification from the event.
- The robot must not leave behind any of its parts during the race else it will result in disqualification.
- Judge's decisions will be considered final.

Specifications

- The maximum dimension of the robot can be 30 cm x 30 cm x 20 cm (l x b x h).
- The robot may be wired or wireless.
- The length of the wire (for wired bots) should be long enough to cover the whole track and wire should remain slack during the complete run.
- Maximum weight must not exceed 3kg and tolerance of 5%.
- The robot must not be made from Lego parts, or any ready-made kit, if we find such machine it will be disqualified.
- The robot should be self-powered with supply not exceeding 12.5V 3s (May be wired or wireless).

ABOUT THE EVENT

Robo Sumo War is an intense competition where robots battle to push each other out of a circular arena. Participants design powerful and stable robots with smart control mechanisms. The event tests strategy, strength, and precision in design. It's a thrilling display of innovation, robotics, and competitive spirit.

REGISTRATION FEES

PER TEAM :400

TEAM SIZE : 4 Members

***On Spot Registration Available.**

SCHEDULE & VENUE

DATE : 12 Nov 2025

DAY 2: Venue : PG ground

Time: 12:00 pm

INNOVATION STARTS With You...

RULES AND REGULATIONS

- Each team can have 1 to 4 members.
- A match has two rounds of 3 minutes each; if it's a tie, an extra 1-minute round will be played.
- The winning team gets 2 points, and the losing team gets 0 points; the robot with more points wins the match.
- A robot wins when it pushes the opponent completely out of the arena; hanging over the edge does not count as out.
- If both robots fall, the last one touching the floor gets the point; if a robot stops moving or becomes disabled, the other robot gets the point.
- If no winner is decided within the time limit, a 2-minute sudden death round will take place, and the first robot to score wins.
- If robots are stuck or not making progress for 20 seconds, the judge will restart the match from the starting position.
- Each team may take one optional technical time-out of 90 seconds per match for adjustments or disengagements.
- Misbehavior, interference, or damage to other robots or the arena will lead to disqualification, and all decisions made by organizers or coordinators are final.

Specifications

- The robot can be wired or wireless, with a maximum weight of 6 kg and size up to 35 cm x 35 cm x 35 cm (5% tolerance allowed).
- The robot must be electrically powered only; IC engines and ready-made kits like Lego are not allowed, and it can use batteries or a stationary power source via a cord.
- The voltage between any two points must not exceed 12.5V (3s), and wired bots must have a wire long enough to cover the arena while remaining slack.
- Teams must carry spare batteries; failure to operate or delays in readiness may lead to disqualification.

RULES AND REGULATIONS

- Participants must participate as a team of minimum of 01 members and maximum of 04 members.
- A person will not be allowed to register for two different teams in the same event.
- Each of the teams must have their own soccerbot and controller.
- Two different teams will not be allowed to play with the same soccerbot. If used, the team will be disqualified immediately.
- Only one participant should control the robot no player can be exchanged in the middle of match.
- A robot can push or hit the ball. It cannot withhold or grab the ball. Any kind of locking systems will be subject to disqualify.
- Human interference (e.g. touching the robot) during the game is not allowed. Any Technical issues during the game is allowed to rectify by 1 minute for each team for entire match.
- Coordinators reserve the right to ask for the explanation of the robot. The coordinator can change the rules of the game depending on the situation.
- Any act of misbehavior or misconduct will lead to immediate disqualification of the team.
- Damages to opponent bot will lead to penalties and disqualification.

Specifications

- The robot should fit inside a box of 35 cm*35 cm*35 cm (Including wedge setup)
- Robot weight is limited to 5.5 kg (5% Tolerance).
- The robot can be wired, wireless or autonomous.
- The robot should be self-powered with supply not exceeding 12V (May be wired or wireless).
- Wedge for bots should not contain locking system. If found bot will be disqualified.

SCHEDULE & VENUE

DATE : 12 Nov 2025

DAY 1: Venue : block no 105

Time: 10:00 am

INNOVATION STARTS With You...

RULES AND REGULATIONS

- The paper submitted will have to be presented during the event with 15 slides of ppt.
- Paper format is attached as below in Annexure 1
- Hard copies of the same are to be submitted before presentation to Judges.
- The Teams will get 10 minutes to present their paper, which includes a buzzer will be given at 8 minutes, within rest 2 minutes you must finish your presentation. Extra 2 minutes will be given for Q & A from judges and rest of the participants.
- The participants will have to present their papers in MS Power Point (ppt) format only.
- Violation of any rule can result in the rejection of the paper.
- The organizers reserve the right to change/update the rules of the contest at any point of time and will do their best to inform to participants of the same. However, it is ultimately the responsibility of the teams to keep themselves updated.

PAPER SUBMISSION GUIDELINES

Authors are invited to submit original, high-quality, and unpublished research articles, review papers, and case studies in the field of engineering and technology. To ensure a smooth and efficient review and publication process, please carefully follow the guidelines below:

1. Manuscript Preparation

- Format: Manuscripts must be prepared in English using MS Word (DOC or DOCX format) and formatted for A4 size paper (21.0 cm × 29.7 cm).
- Font and Style: ▪ Font: Times New Roman, Size: 12 pt
- Line spacing: 1.5
- Margins: 2.5 cm on all sides
- Justified alignment for all paragraphs
- Length: The manuscript should typically be of 4 pages and not exceed 20 pages, including figures, tables, and references.

INNOVATION STARTS With You...

2. Structure of the Manuscript

Each manuscript should include the following sections:

- Title Page: Title of the paper, full names of authors, affiliations, email addresses, and the corresponding author clearly marked.
- Abstract: A concise summary (max 300 words) without references or equations.
- Keywords: 4–6 relevant keywords.

- Introduction: Background, motivation, and objective of the work.
- Methodology: Detailed description of methods, materials, and procedures used.
- Results and Discussion: Key findings, analysis, and their significance.
- Conclusion: Summary of results and their implications.
- Acknowledgements (if any)
- References: Use APA. Ensure all citations are complete and accurate.

3. Figures and Tables

- Figures and tables must be numbered sequentially and referred to within the text.
- Captions should be placed below figures and above tables.
- All images must be of high resolution (300 dpi or higher).
- Authors are responsible for obtaining permissions for any copyrighted material.

ABOUT THE EVENT

3D Modeling using Computer-Aided Drawing (CAD) is an event where participants design 3D models of real-world objects using CAD software. It tests creativity, design accuracy, and technical understanding. The event promotes innovation and practical application of engineering concepts. It's a perfect blend of imagination and technology.

DATE : 12 Nov 2025

DAY 1: Venue : block no G12.

Time: 1:30 pm

INNOVATION STARTS WITH YOU...

INFORMATION ABOUT ROUNDS

Round 1

- Screening round on Orthographic Projection of Machine Part/Object
- Max Time : 15 Minutes

Round 2

- Max. Time : 60 Minutes
- Participant Shall create 3D Model.
- Final award on the basis of completeness and optimum time taken.

RULES AND REGULATIONS

- Competition is open for All College Students only.
- A valid ID card should be produced during Event time.
- Individual Event.
- Student Shall use only fusion 360 software.
- Event in two rounds if participant is more than 20.

ABOUT THE EVENT

In this Model Making Competition, teams of 2–3 members will build a bridge using only allowed materials. The model will be tested for strength, and judging will be based on load capacity, design, efficiency, and creativity.

REGISTRATION FEES

PER TEAM : Rs 300/-

TEAM SIZE : 2-3 Members

***On Spot Registration Available.**

SCHEDULE & VENUE

DATE : 12/11/25

DAY 1 & DAY 2 : Venue : G11

Time: 11:00am to 2:pm

INNOVATION STARTS WITH YOU...

RULES AND REGULATIONS

1. Team Composition

- Each team can have 2 to 3 members.
- Only registered teams are allowed to participate.

2. Materials Allowed

- Ice cream sticks (popsicle sticks) – only wooden sticks are allowed.
- Glue – only Fevicol or white glue is allowed (no super glue or epoxy).
- Paint (optional) for aesthetic appeal.

3. Construction Rules

- The team must carry their material, like ice cream sticks and Fevicol, etc., which are required for model making.
- The bridge must be handmade and built only by the team members.
- Pre-built or pre-glued parts are not allowed
- The width of the deck (roadway) should be at least 10 cm or more
- The height limit (from base to highest point) should not exceed 20 cm.
- The bridge must allow a 8 cm wide and 10 cm high free passage beneath it.

4. Testing & Load-Bearing Criteria

- The bridge will be placed between two tables/platforms 20 or 25 cm apart.
- Weights will be gradually added at the center of the bridge until it collapses.
- The bridge that holds the maximum weight before breaking wins.
- If two bridges hold the same weight, the lighter bridge (less material used) wins.
- 5. Disqualification Criteria
- Use of forbidden materials (metal, plastic, super glue, etc.).
- Team violating time limits or building outside the competition area (if a live-building round is held).

6. Judging Criteria

- Strength & Load-Bearing Capacity (50%)
- Structural Design & Aesthetics (20%)
- Material Efficiency (less material, more strength) (20%)
- Creativity & innovation (10%)

ABOUT THE EVENT

It is a technical competition designed for undergraduate and postgraduate civil engineering students to showcase their design and modeling skills using software like AutoCAD or Revit. Participants can compete individually or in pairs through two rounds a preliminary CAD drawing test followed by a final real-world design challenge requiring 2D and/or 3D modeling based on given problem statements. The designs must comply with standard building codes and safety norms, and participants are evaluated on accuracy, creativity, technical feasibility, adherence to standards, and presentation. With a registration fee of Rs. 300 per head, the event promotes innovation, precision, and practical engineering skills, offering certificates and prizes to winners while maintaining strict rules on time limits, originality, and ethical participation.

REGISTRATION FEES

PER PERSON : Rs 300

TEAM SIZE : 1 Member

***On Spot Registration Available.**

SCHEDULE & VENUE

DATE : 13/11/25

DAY 1 & DAY 2 : Venue : **108 Lab**

Time: **11:00am to 2:pm**

RULES AND REGULATIONS

1. Eligibility:

- The competition is open to undergraduate and postgraduate students of civil engineering.
- Participants can register as individuals or in teams of up to two members.

2. Event Format:

- The competition consists of two rounds:
- Preliminary Round: A basic CAD drawing test to shortlist participants for the final round.
- Final Round: A complex design challenge based on real-world civil engineering scenarios.

3. Software & Tools:

- The preferred software for the competition is AutoCAD or Revit (as per event guidelines).
- Participants must bring their own laptops with licensed software installed.
- Use of pre-made templates or automated design scripts is strictly prohibited.

4. Design Challenge:

- The challenge will be revealed at the start of the competition.
- Participants must create a 2D floor plan and/or 3D model as per the given problem statement.
- Designs must comply with standard building codes and structural safety guidelines.

5. Time Limit:

- Preliminary Round: 30–45 minutes
- Final Round: 2 hours

6. Evaluation Criteria:

- Accuracy & Precision (20%) – Proper dimensions and scale adherence.
- Creativity & Aesthetics (20%) – Innovative design solutions.
- Technical Feasibility (20%) – Practicality in real-world application.
- Adherence to Building Standards (20%) – Compliance with structural and safety norms.
- Presentation & Explanation (20%) – Justification of design choices.

7. General Rules:

- Participants must adhere to the time limit; late submissions will not be considered.
- Use of mobile phones, internet (except for licensed software), or external help is strictly prohibited.
- Judges' decisions will be final and binding.
- Any form of plagiarism or unethical practices will lead to disqualification.

8. Prizes & Certificates:

- Winners will receive certificates and prizes as per the event guidelines.

ABOUT THE EVENT

The Poster Presentation Program is an academic event designed to encourage undergraduate students from all departments to present their innovative ideas, research work, or technical projects in a visual and engaging format. Participants can compete individually or in teams of up to 2–3 members, showcasing their work on an A1-size poster in either portrait or landscape orientation. Each poster must include essential sections such as the title, abstract, objectives, methodology, results, and conclusion, with clear and readable formatting. During the event, each team will have 5–7 minutes for presentation followed by a 2-minute Q&A session, where they can use visuals like charts, images, and graphs to enhance clarity. The posters are judged based on content quality, presentation skills, design, innovation, and Q&A handling. Participants must register in advance, ensure their work is original, and follow all event guidelines, with judges' decisions being final. The event fosters creativity, research aptitude, and communication skills, offering students a platform to display their academic and technical proficiency.

REGISTRATION FEES

PER PERSON : Rs 200

TEAM SIZE : 2 Member

***On Spot Registration Available.**

SCHEDULE & VENUE

DATE : 13/11/25

DAY 1 & DAY 2 : Venue : Room 105

Time: Full day

INFORMATION ABOUT ROUNDS

Preliminary (Screening)

- All registered participants display their posters for initial evaluation.
- Judges assess the posters based on content clarity, creativity, presentation layout, and originality.
- From this round, the best posters or teams are shortlisted for the final round.

Final (Presentation)

- The shortlisted participants present their posters in front of the judges.
- Each team is given 5–7 minutes to present, followed by a 2-minute Q&A session where they must justify their research, design, or findings.
- Judging is done based on presentation skills, depth of content, innovation, and ability to answer questions.

RULES AND REGULATIONS

1. Eligibility

- Open to UG students of all departments (or specify department).
- Individual or team participation (max. 2–3 members per team).

2. Poster Specifications

- Poster size: A1 (24 x 36 inches)
- Orientation: Portrait or Landscape
- Poster should include Title, Abstract, Objectives, Methodology, Results/Findings, and Conclusion.
- Font should be readable from 1 meter distance.

3. Presentation Rules

- Each team will get 5–7 minutes to present + 2 minutes Q&A.
- Use of charts, images, graphs, and diagrams is encouraged.
- Plagiarism not allowed – posters must be original work.

4. Judging Criteria

- Content (30%) – clarity, relevance, depth.
- Presentation & Communication (20%) – confidence, clarity, time management.
- Poster Design (20%) – creativity, readability, visuals.
- Innovation & Originality (20%) – new ideas, unique approach.
- Q&A Handling (10%) – ability to answer questions.

5. General Rules

- Participants must register in advance.
- Bring printed posters; digital posters not accepted unless specified.
- Decisions of judges will be final.

ABOUT THE EVENT

“Mock CID” is an exciting, investigation-themed event designed to test participants’ intelligence, observation skills, and teamwork. Inspired by real-life detective work, this competition challenges teams to think like investigators as they move through multiple rounds — including quizzes, clue hunts, and case-solving scenarios.

Participants must analyze evidence, connect clues, and use logical reasoning to crack each case within the time limit. The event combines fun, thrill, and mental challenge, making it one of the most engaging parts of SAVISHKAR 2K25-26.

REGISTRATION FEES

PER TEAM : Rs 300

TEAM SIZE : 2 or 3 Members

***On Spot Registration Available.**

SCHEDULE & VENUE

DATE : 12/11/25 & 13/11/25

DAY 1 & DAY 2 : Venue : MBA College (Room 201 & 203)

Time: Full day

INFORMATION ABOUT ROUNDS

- Round 1 – Quiz Round:**

Test your basic crime-solving and general knowledge.

- Round 2 – Treasure/Clue Hunt:**

Decode hidden clues across the campus to find key evidence.

- Round 3 – Case Solving (Final Round):**

Investigate a fictional crime scene, analyze clues, and identify The culprit

RULES AND REGULATIONS

1. Team Formation

- Each team must consist of 2–3 members.
- Only registered participants are allowed.

2. Rounds & Structure

- The event will be conducted in multiple rounds (e.g., Case Solving, Clue Hunt, Final Investigation).
- Teams must clear each round to qualify for the next.
- Time limits will be strictly followed.

3. Fair Play

- No use of mobile phones, internet, or outside help during rounds (unless specifically allowed).
- Plagiarism or copying answers from other teams will lead to disqualification.

4. Clue & Evidence Handling

- Participants must not tamper with or destroy clues.
- Clues must be submitted/recorded exactly as instructed.

5. Judging Criterias

- Accuracy of answers/case solution.
- Time taken to solve.
- Creativity and logical reasoning.

6. Conduct

- Respect organizers, volunteers, and judges.
- Any form of misbehaviour or argument will lead to elimination.

7. Final Decision

- Judges/Organizers decision will be final.

ABOUT THE EVENT

Get ready to shine at our college fest's Solo Singing Competition – **Dhwani**. Two thrilling rounds await: auditions and finale." In the auditions, participants will impress the judges with their vocal skills, song selection, and ability to connect with the audience. The finalists then compete in a spectacular showdown of the best voices, where talent, melody, and stage presence collide. This competition is not just about hitting the right notes — it's about leaving a lasting impression and captivating everyone with your performance. Join us for a celebration of music, talent, and the sheer joy of singing, and watch as the most captivating voices take center stage and shine in the spotlight.

Time: 10:00 am onwards

DATE: 13 Nov 2025

DAY 2: Venue: College Quadrangle

Time: 10:00 am onwards

INFORMATION ABOUT ROUNDS

ROUND 1: AUDITION

- Will be held in the C Block (MBA).
- Participants will be judged based on “vocal tone, pitch control, rhythm, and expressive presentation.”
- Participants with the highest marks will qualify for the finale.

ROUND 2: FINALE

- Will be held in the College Quadrangle.
- Participants will be judged based on voice modulation, expression, and overall stage appeal.
- Participants with the highest marks will be declared as winners.

RULES AND REGULATIONS

- Allocated performance duration is 2-3 minutes per solo participant.
- Participants are strictly prohibited from referring to lyrics during their performances.
- Participants are expected to adhere strictly to the schedule; any delays may lead to disqualification.
- Songs performed for audition and finale must be different.
- “All participants must submit their karaoke tracks via WhatsApp at **+91(7619279684)** at least one day before the event, or on a pen drive at the venue before **9:30 am** on the day of the event. The file name should match the registration form.”

- Participants are responsible for providing their own musical instruments if required for their performance.
- Participants have the liberty to choose their songs.
- Once registered, no refunds will be issued.
- The decision of the judges and event coordinators will be final.
- Performances will be done as per the final list.
- Everyone must perform in their given turn, and no changes in names or order will be made.

ABOUT THE EVENT

Gaana Groove is a celebration of harmony, rhythm, and teamwork, bringing together singers to perform in synchronized groups. The event encourages collaboration, coordination, and expressive musical storytelling, allowing participants to showcase their talent through both classical and contemporary songs. Starting with auditions that focus on pitch, timing, and group harmony, the event culminates in a grand finale where teams present their best performances with creativity, stage presence, and enthusiasm. Beyond entertainment, Gaana Groove fosters cultural exchange, artistic collaboration, and a shared love for music, creating a platform where voices unite to produce a beautiful symphony of melodies.

- Teams with the highest marks will be declared the winners.

RULES AND REGULATIONS

- Teams should be present on time.
- Teams may perform in any song form of their choice.
- Once the team is registered, no refund will be issued.
- ID cards are mandatory for all participants.
- Each participating group will have a maximum of 7 minutes in total — 2 minute for stage setup and 5 minutes for the performance to showcase their musical talent.
- Groups can consist of 4 to 7 members, including accompanists.
- Participants are expected to follow the schedule strictly; any delays may result in disqualification.
- The songs performed during the audition and final rounds must be different.

- All participants must submit their karaoke tracks via WhatsApp at **+91 9380866955** at least one day before the event, or on a pen drive at the venue before 9:30 am on the day of the event. The file name should match the registration form.
- Participants are responsible for bringing any musical instruments required for their performance.
- No exchange or replacement of team members will be allowed between the audition and finale rounds.
- The decision of the judges and event coordinators will be finale.

ABOUT THE EVENT

NrityaNova celebrates the grace, discipline, and expressive depth of classical dance through captivating solo performances. Dancers mesmerize audiences with storytelling rooted in tradition, showcasing refined technique and emotive expression. The event unfolds in two stages — auditions highlighting individual style, followed by a finale judged on costume, technique, and stage presence. From Bharatanatyam's precision to Kathak's elegance, NrityaNova honors India's cultural heritage, empowering performers to embody tradition and connect deeply with their audience.

ABOUT THE EVENT

The event “The Boardroom Battles” is a competitive business simulation where teams present and pitch innovative startup ideas. It consists of multiple elimination rounds, testing participants on creativity, strategy, marketing, and pitching skills. Teams develop unique business ideas, prepare marketing plans, and deliver investor-style presentations to judges. The event aims to mirror real-world entrepreneurship challenges by assessing originality, feasibility, teamwork, and presentation skills. It encourages students to think like entrepreneurs and pitch their startups confidently to potential investors.
